IHH Healthcare

A world-leading integrated healthcare provider, IHH believes that making a difference starts with our aspiration to Care. For Good.

Our team of more than 70,000 people commit to deliver greater good to our patients, people, the public and planet, as we live our purpose each day to touch lives and transform care.

Through our portfolio of trusted brands – Acibadem, Mount Elizabeth, Prince Court, Island, Gleneagles, Fortis, Pantai and Parkway – we offer our patients comprehensive and personalised care ranging from primary to quaternary, and even ancillary services such as laboratory, diagnostics, imaging and rehabilitation.

With a clear focus on clinical excellence and innovation, we continue to raise the bar in healthcare in our key markets of Malaysia, Singapore, Türkiye, India, Greater China (including Hong Kong) and beyond.

In partnership with our stakeholders, we will co-create a sustainable future for all as we work towards our vision to become the world's most trusted healthcare services network.

Pyxis MedStation

Professional Training

In close collaboration with the Department of Pharmacology and Pharmacy, The University of Hong Kong. Training opportunities in vaccination and coaching skills are provided to our pharmacists to strengthen their roles both as practitioners of today and mentors for future pharmacists.

We engaged the College of Pharmacy Practice (CPP) as our partner in providing continuing education for pharmacists on various clinical specialties such as oncology, haematology, cardiology, and critical care medicine.

We are firmly committed to achieving Board of Pharmacy Specialties (BPS) certification by a majority of our pharmacists.
